

Setting up Application Environment

Create Sendgrid Account

Step 1. Navigate to <https://sendgrid.com>

Step 2. Click on “Start for free” and register yourselves by entering required details and click on create account

A screenshot of the SendGrid 'Let's Get Started' registration page. The page has a light blue background. On the left, there's a form with the following fields: 'Email Address' (filled with 'shanmugapriyashanu2002@gmail.com'), 'Username' (filled with 'priyashan'), and 'Password' (masked with dots). There are checkboxes for 'Use email address as username' and 'I accept the Terms of Service and have read the Privacy Notice'. A reCAPTCHA 'I'm not a robot' checkbox is also present. On the right, there's a box titled 'Try it out!' with the text 'Send email for free.' and a list of features: 'Automated drip campaigns', 'Password resets', 'Newsletters', 'Receipts', 'Delivery notifications and updates', and 'Promoted emails'. A yellow paper airplane icon is shown flying towards the top right.

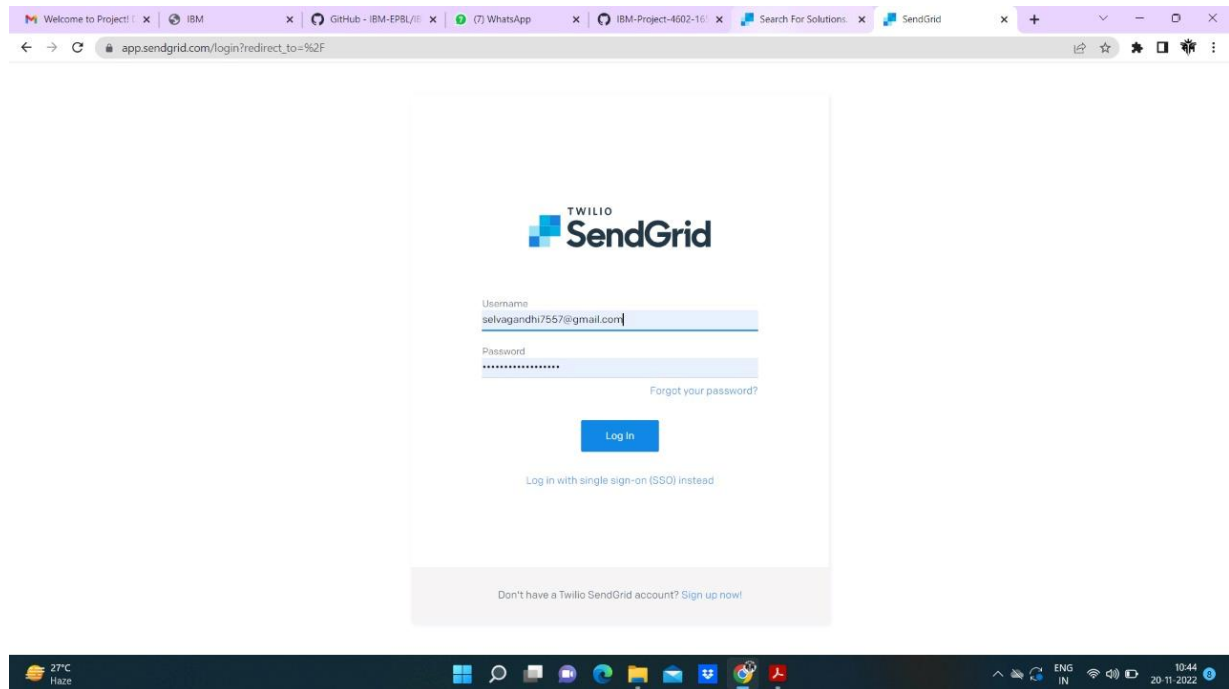

Step 3. Further fill all required details in next page and click on get started as shown below
